Your first Wire EDM project

**Complex Wire EDM** *Precise ... reliable ...  
cost-effective solutions*

*Pictured left:  
Behind our  
state-of-the-art  
technology,  
Accu-Grind boasts  
a highly trained  
and skillfully  
dedicated staff who  
routinely exceeds  
our customers'  
requisites.*

**“** We had a dilemma with some of the gear teeth on one of our machines. Accu-Grind was able to Wire EDM match cut perfectly to the tooth and saved us from remaking the parts. It would have cost three times as much to remake what it cost us to have them fix it. We've worked with their competitors, but not anymore—NOW we go right to Accu-Grind. **”**

Ron Bell, engineering manager  
Pic Design, Connecticut

**When Wire EDM is your desire:  
affordably engineered to  
mission-critical tolerances**

Our Wire EDM skills far exceed client demands and industry requirements.
